Lights on Afterschool

On October 20, 2011 every community, city, and state in the nation will be celebrating "Lights on after School." This is a special time of year when observation and support for after school programs are recognized around the country. The Clayton County Parks and Recreation Department knows how vital these programs are in keeping our children safe and in a productive environment while school is out. Therefore, we will be hosting our 4th Annual "Lights On After School Rally" to express support for all after school programs as well as gain exposure to various afterschool opportunities and to discuss the impact of afterschool programs on our community.

We are seeking exposure and support for this event as well as providing an opportunity for local businesses and organizations to partner with the Parks and Recreation Department. The rally will be held at the International Park located at 2300 Hwy. 138 SE, Jonesboro, Georgia 30236 from 4:00 pm- 7:00 pm. Food, games and arts and crafts will be available from 4:00pm-5:45pm. At 6:00pm all guests will take part in the rally. Every guest will receive a t-shirt and light stick upon arrival.
