If a player does not make the team's certification that player will receive an X on their helmet and disqualified from playing a skilled position (quarterback, tailback and receiver). Coordinators will receive a notebook tonight from Koboi with location and directions for all venues, master schedules, location schedules (Park specific), score sheets for each weekend at your park, referee reports, referee evaluation sheets and incident reports. Keep these books with you at all times. After certification is complete Koboi will provide each coordinator with a thumb drive containing all team books for SPYFL.
