This is a sanctuary. Plants, wildlife and artifacts are protected by law.
Please do not feed the animals. Although it seems harmless enough, such actions can have disastrous results for the wildlife.
Please enjoy the flowers in their natural setting and leave for others to enjoy, too.
Your cooperation ensures that every inhabitant of and visitor to this sanctuary benefits from the preservation of this land for generations to come!

PRACTICE LEAVE NO TRACE ETHICS DURING YOUR VISIT !

Stay on the designated path. Do not feed the animals. And, take out what you take in! Thank you.
