

The North Clayton 12u Eagles football team, coached by Reginald Banks, won the County championship and was selected to participate in the Frank Ski Youth Bowl VII on Saturday, December 4, 2010. This was a four-team tournament with each team having a chance to earn \$10K for their park. This was the third time that a North Clayton team has participated. The Eagles won the grand prize four years ago, and two years ago took home \$2,500 under the direction of Coach Banks. The 2010 tournament took place at Grady High School Stadium, with the Eagles facing a team from Ducula in the first round. After defeating Ducula, they advanced to the finals facing the Georgia Rattlers. They lost against the rattlers, but won \$5,000 for the North Clayton Park. Congratulations 12u Eagles!
